Dear Sir/Madam:

The above-identified application became abandoned for failure to file a timely and proper reply to a notice of abandonment issued by the United States Patent and Trademark Office on December 21, 2009. Pursuant to 37 C.F.R. 1.137(b), Applicant hereby respectfully submits the following statement.

On September 3, 2009, a Notice of Allowance and Fee(s) Due was issued. Due to an internal clerical error, Applicant failed to timely respond to the Notice of Allowance and Fee(s) Due by submitting the required issue fee. Hence, this application became abandoned.

Upon receipt of the Notice of Abandonment, Applicant took prompt action to correct the error. Submitted concurrently herewith is the issue fee in compliance with 35 U.S.C. 151. The entire delay in filing the required issue fee until the filing of this petition was unintentional. Because the failure to comply with the Notice of Allowance and Fee(s) Due was unintentional, Applicant respectfully requests that this petition be accepted.

Respectfully submitted,
